OCT 20 2006

AFRPA/COO-Kelly
143 Billy Mitchell Blvd Ste 1
San Antonio TX 78226-1816

Dear Kelly Restoration Advisory Board Members and Public Participants

The following is an action items report for the 10 October 2006 Kelly Restoration Advisory Board (RAB) meeting.

1. *Mr. Robert Silvas requested AFRPA distribute eligibility letters sent to the Kelly RAB prior to the meeting to all eligible and ineligible Kelly RAB members.*

The Air Force Real Property Agency placed phone calls to all eligible and ineligible Kelly RAB members to obtain permission to distribute their letters and contact information to others. All eligibility letters are attached; however, contact information has been removed for individuals who either: a) denied AFRPA authorization to distribute their contact information or b) were not able to be reached.

2. *Mr. Robert Silvas requested AFRPA provide him something in writing indicating his name would need to appear on a property deed in the affected community in order to meet property ownership eligibility requirements for the Kelly RAB.*

A letter signed by Adam Antwine to Mr. Silvas is attached along with the eligibility letters discussed in Question #1.

3. *Mr. Nazirite Perez requested to be provided a yearly schedule for upcoming Kelly RAB meetings.*

The Air Force Real Property Agency is currently exploring options for developing a community outreach piece which will have all 2007 RAB meetings listed. In the meantime, our office placed a total of four full page advertisements in La Prensa and Southside Reporter which provided dates for 2007 RAB meetings. A copy of one of these ads is being attached for your review. A copy of this ad was placed in meeting packets at the 10 October 2006 Kelly RAB meeting.

Thank you for your continued interest in the Kelly environmental restoration program.

Sincerely

A handwritten signature in black ink, appearing to read "Adam G. Antwine". The signature is fluid and cursive, with the first name being the most prominent.

ADAM G. ANTWINE
Senior Representative
