Kelly Restoration Advisory Board

Responses to Action Items and Community Comments
at the February 11, 2003 meeting.

1. TRS members requested that TAPP contractors inform them on any use of subcontractors in writing.
Mr. Tijerina incorporated this notice into all future Statements of Objectives (SOOs)
2. TRS members requested a one-page summary of the TAPP program.
A spreadsheet containing the requested information is attached.
3. TRS members requested that the University of Maryland be designated to receive the RFP for the review of ATSDR Past Air Emissions Study
Once the SOO is developed and approved by TRS community members, Mr. Tijerina will send the RFP for the review of the ATSDR report only to the University of Maryland (Dr. Squibb)
4. TRS members requested that copies of correspondence between Air Force and regulatory agencies be included with the "Reports to TRS" summary sheet
Dr. Lené will CC Mr. Martinez any correspondence to be included in the summary. Additionally, a copy of the Index listing of the reports that may be found in the EHWC library, will be included in the RAB Member Orientation Packages.
