Responses to Action Items and Community Comments
at the January 15, 2003 meeting

- Mr. Garcia requested that all members be contacted about the meeting with AACOG to see if they would also like to attend.

This meeting has not been scheduled due to schedule conflicts.

- Mr. Silvas inquired as to why Alamo Aircraft has engine parts lying out in the open. He suggested that this could potentially lead to further contamination. Mr. Garcia suggested that AFRPA speak to Code Compliance.

This concern was forwarded to Code Compliance and an investigation was conducted. See the attached letter for results.

- Mr. Silvas asked about the status of the wastes being produced from the demolition of Bldg 329

This request was forwarded to GKDA.

- RAB Member Orientation package suggestions
 - Cleanup Overview Presentation
 - Health Department Involvement
 - GKDA
 - Explanation of the TRS
 - Acronym List
 - FAQs

An Orientation Package was created that includes these and other items. These packages were distributed to RAB members during their orientation.

- Mr. Pena suggested that prayer and the Pledge of Allegiance be added to the meeting agenda.

After careful research and consultation with Mr. Pena, it was determined that a moment of silence would be more appropriate than public prayer. Additionally, the decision to recite the Pledge of Allegiance and have a moment of silence should be left up to the community RAB members.
