About the CE Magazine

The CE Magazine highlights issues, initiatives, and stories that affect the Air Force Civil Engineering community, particularly as they relate to our Air Force's current priorities:

- Restore readiness... to win any fight, any time
- Cost-effectively modernize... to increase the lethality of our force
- Drive innovation... to secure our future
- Develop exceptional leaders... to lead the world's most powerful teams
- Strengthen our alliances... because we are stronger together
