TEXAS

ADMINISTRATIVE RECORD
COVER SHEET

AR File Number 3221.2

Kelly Technical Review Subcommittee

Proposed Action Items from the
February 8, 2005 meeting.

1. Robert Silvas recommended that the Air Force provide a copy of the Notice of Violation pertaining to the fish kill in Leon Creek to the RAB members.
2. Rodrigo Garcia recommended that the Air Force distribute the proposed RAB Rule to all the RAB members ASAP.
3. Rodrigo Garcia recommended that the Air Force distribute pertinent information such as minutes and reports to the RAB members as soon as possible along with instructions informing them when the information will be reviewed.
4. Armando Quintanilla recommended that the operational procedures of the TRS be codified.
5. Robert Silvas recommended that a consensus declaration be added to the next RAB meeting agenda pertaining to the drafting of a letter to Mr. Phil Bynum.
6. Robert Silvas recommended that there be more meetings and that future meetings be held on Saturdays.
7. Armando Quintanilla recommended that the declaration "the next round of elections will be held in October," be put in writing.
8. Robert Silvas recommended that the RAB determine a location for future RAB meetings.
9. Armando Quintanilla recommended that the Community Co-chair and the Installation Co-chair invite representatives from the Health Department (Dr. Guerra), the Air Force Center for Environmental Excellence, the University Health System (Dr. Bradshaw, Dr. Herbal and Dr. Claudia Miller) and the City Council to attend the April RAB to hear Dr. Squibb's TAPP presentation.
