ADMINISTRATIVE RECORD
COVER SHEET

AR File Number 3274.2

Kelly Restoration Advisory Board

Technical Review Subcommittee
Responses to Action Items
from the January 8, 2002 meeting

1. **Mr. Armando Quintanilla, wanted the report on the Zone 4 cleanup recommendations prepared by Zephyr Environmental to be distributed to the RAB.**

All RAB members received the above report at the January 15, 2002 RAB.

2. **Mr. Nazirite Perez, wanted to know if there is contamination North of Highway 90 and West of Zarzamora.**

AFBCA is currently preparing a response.

3. **Mr. Rodrigo Garcia, wanted to know if building the intermodal yard will conflict with the environmental cleanup.**

AFBCA is currently preparing a response.
