Parking Lot Meet up 3:45 – 4:00 PM

New Hampshire Department of Environmental Services Parking Lot

222 International Drive, Suite 175, Portsmouth, New Hampshire

You are welcome to meet us directly at the Tour Stop, if you do not want to caravan

The below agenda provides anticipated tour start times for **each location**. You are welcome to come and go as your schedule permits. Carpooling is encouraged due to limited parking at each location. No bus or other large capacity vehicle will be provided due to social distancing concerns.

The tour starts at 4:10 PM with outdoor activities planned prior to sunset. At each location we will discuss the treatment technologies during a tour of each facility and attendees will have the opportunity to ask questions of the plant operators, US Air Force, EPA, DES and City project managers.

We anticipate posting graphics and poster boards at each location. Each stop will focus on the treatment plant and its impact on the PFAS remedial investigation and progress.

STOP ONE 4:10 - 5:00 PM Site 8 (20 Short Street, Newington, NH)

- Tour of the Site 8 Treatment Plant and Outdoor Support Areas (Dress appropriately)
- Discuss operations and capture areas
- Walk the site and view old and new infrastructure
- Discuss airfield sites and related projects
- Questions and Answer time with USAF, DES, and EPA

STOP TWO 5:00 - 6:00 PM Airfield Interim Mitigation System (*15 Airline Ave., Portsmouth, NH)
Drive **past the terminal ~0.1 miles to green sign, driveway is on right*

- Tour of the AIMS
- Discuss operations and capture areas
- ReInjection areas and the link to the Interim Mitigation Well (IMW)
- Questions and Answer time with USAF, DES, and EPA

STOP THREE 6:00 - 7:00 PM Grafton Road Water Treatment Plant (*200 Grafton Rd, Portsmouth NH)

- Please look to your left for the Water Treatment Plant sign

- Tour of the Grafton Road Plant
- Discuss history of plant and ongoing operations
- Questions and Answer time with City of Portsmouth, USAF, DES, and EPA
