

Former Pease Air Force Base STAY INFORMED

**The next Pease Restoration Advisory Board meeting will be on
Tuesday January 24, 2023 from 4:30 to 8 PM**

4:30-5:30pm - Part A: Showing pre-recorded technical presentations

5:30-6:00pm - Break, arrive/meet and greet

6:00-8:00pm - Part B: Interactive portion of the meeting

This will be an in-person meeting with the option to join online for those who would prefer to attend that way.

The in-person meeting will be held at:

New Hampshire Department of Environmental Services

222 International Drive, Suite 175

Portsmouth, New Hampshire 03801

The recorded presentations will be shown from 4:30 to 5:30 PM. RAB members will receive the presentations in advance of the meeting and will not need to watch them at 4:30 if they've watched them in advance.

Due to the hybrid nature of this meeting, we ask that you register using the Zoom link below for both those attending in-person and online. We have a question in the registration asking if you are planning to attend in-person or online. This does not commit you one way or the other, but will help the team get a sense of our likely attendance. Registering this way will also ensure that you have the link even if attending in person in case your plans change.

We'd appreciate if you'd register as soon as possible at:

https://cbuilding.zoom.us/webinar/register/WN_yMFoQzQiTKahbVn3KaPIkA

The Restoration Advisory Board meeting provides attendees with an update on the restoration at the former Pease Air Force Base and gives you a chance to talk to the Air Force and environmental regulators about the last remaining restoration projects. The agenda for this meeting will be made available soon.
