

## Former Pease Air Force Base Environmental Cleanup Activities

STAY INFORMED

---

### **Come to a Pease Restoration Advisory Board (RAB) Workshop on Tuesday, August 6, 2024 to review the Informal Technical Information Report (ITIR)**

**The public is welcome to attend:**

Tuesday, August 6, 2024 -- 5 PM - 8 PM  
Newington Town Hall  
205 Nimble Hill Road  
Newington, NH 03801

**Please register at:**

Online participation is available via Zoom.\*In-person attendance is encouraged.

The Air Force environmental cleanup team will focus on reviewing the ITIR data and figures with Pease RAB members. The ITIR supports the Remedial Investigation (RI) project being conducted at Pease to document the nature and extent of per- and polyfluoroalkyl substances (PFAS).

The ITIR provides a summary of RI field activities done through June 2023, the data generated, and a summary of identified data gaps. Pease RAB members are encouraged to review the ITIR data, ask questions, and make suggestions.
