

Pease Restoration Advisory Board

Members may access public documents online about the environmental restoration work at the former Pease Air Force Base at the following resources:

US Air Force Civil Engineer Center (AFCEC) Administrative Record Website

The AFCEC Administrative Record website provides a means to search and review public documents regarding environmental testing and sampling conducted at Air Force installations in compliance with the federal Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). These documents form the basis for environmental response actions and demonstrate the public's opportunity to participate in and comment on the selection of the response actions.

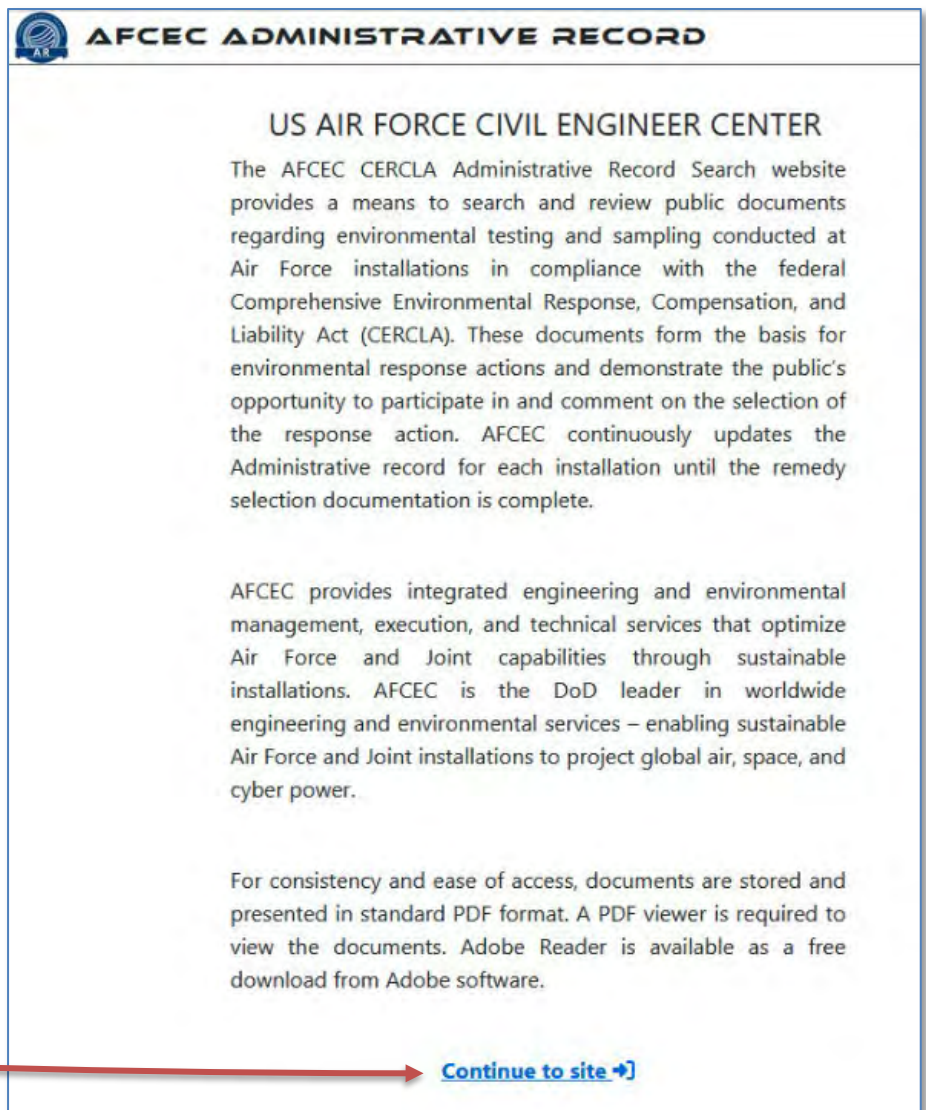

1

To go to the Administrative Record website, enter the address on your browser:

<https://ar.cce.af.mil/>

2

From the Administrative Record main page, click on "Continue to site" to go to the Search Page.

3

On the Administrative Record Search page, click on the “BRAC” radio button.

4

Move the slider bar in the Installation List to locate and click on “Pease AFB”

New Hampshire Department of Environmental Services (NHDES) OneStop Website

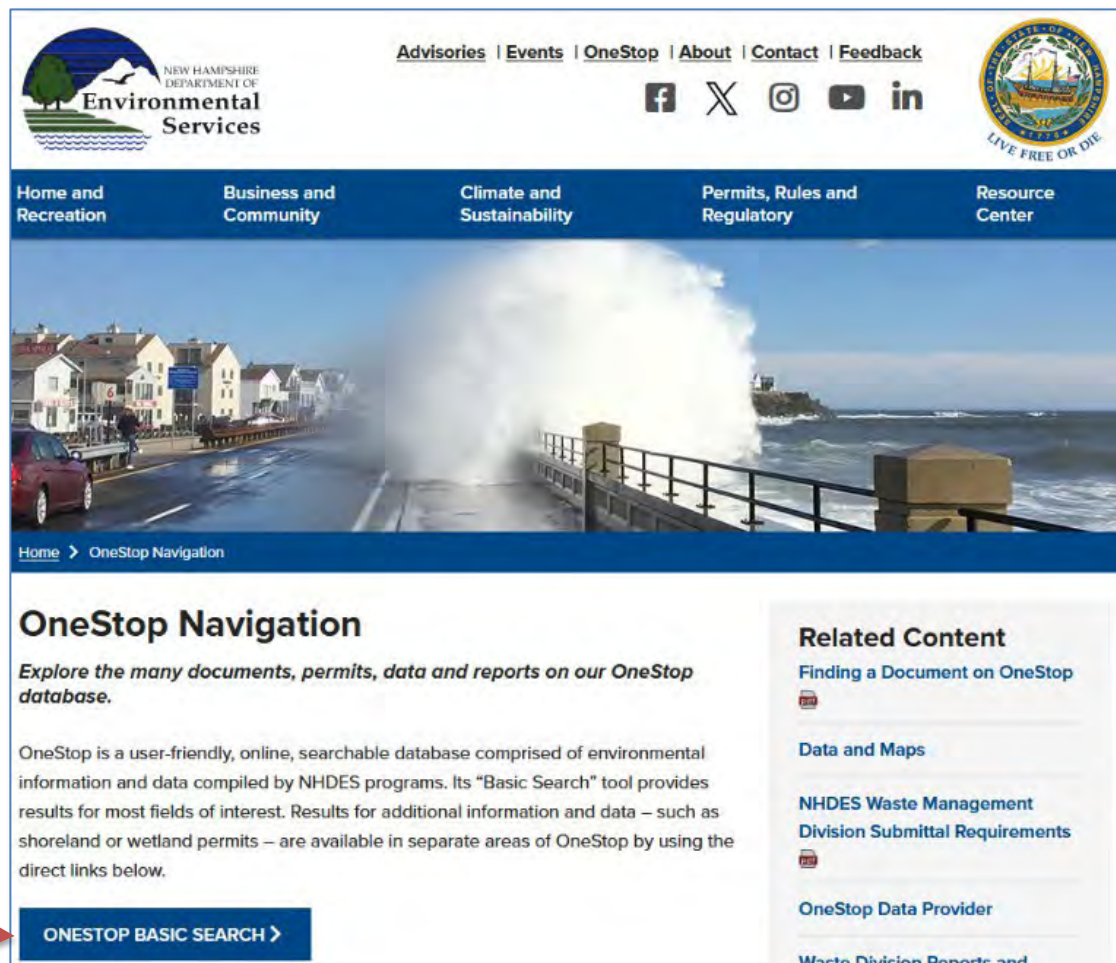

OneStop is an online, searchable database comprised of environmental information and data compiled by NHDES programs. Remediation sites in New Hampshire are assigned a 9-digit NHDES Site number. The NHDES site number for base wide projects and programs at Pease is 198404025 that encompasses PFAS-related submittals which is tracked under Project No. 34346.

1 To go to the OneStop website, enter the address on your browser:

<https://www.des.nh.gov/onestop-navigation>

2

From the OneStop Navigation page, click on "ONESTOP BASIC SEARCH"

3

From the OneStop – Search page, enter the Pease site number: 198404025 in the “Any DES Interest ID” box and click enter to go to the Pease search page.

The screenshot shows the OneStop - Search page. At the top, there is a navigation bar with links: [Advisories](#) | [Events](#) | [OneStop](#) | [About](#) | [Contact](#). Below this is a social media bar with icons for Facebook, Twitter, Instagram, and YouTube, and the New Hampshire state seal. The main header includes links: [NHDES Home](#) | [OneStop Home](#) | [Site Search](#) | [Search Help](#) | [OneStop Contact](#). The date "Friday, Mar. 14, 2025" is displayed. The page title is "OneStop - Search". A red circle highlights the "Any DES Interest Id:" field, which contains the number "198404025", and the "Enter" button next to it. A red arrow points from the text on the left to this field. Below the search field, there is a message: "NHDES is working to make all of our online documents fully accessible. If you have any problems accessing a particular file, please contact us and we will make the necessary accommodations. If you have any questions about using this site, please contact us. Click the OneStop Contact button in the menu bar above for contact information." The "Areas of Interest" section includes a dropdown menu for "General Areas of Interest" set to "-Optional-". Below this, a message states: "If you are unsure which Specific Areas of Interest you want, try selecting a General Area of Interest. This will select all the Specific Areas that apply." The "Specific Areas of Interest" section contains a grid of checkboxes for various environmental features: Aboveground Storage Tank, Air Stationary Source, Alteration of Terrain Permit, Asbestos Disposal Site (Inactive), Auto Salvage Yard, Beaches, Bottled Water Site, Groundwater Discharge Site, Hazardous Waste Generator, Initial Response Spill, Public Pools/Spas, Public Water System, Registered Water User, Remediation Site, Solid Waste Facility, Underground Storage Tank, and Water Well. Below the checkboxes, a message states: "Before hitting the Enter key, if you have checked specific area(s) of interest, you may want to scroll down to check other Interest Specific Criteria you can search or". There are two checkboxes: "Include other interests found at location(s)" (checked) and "Return only results that exist in ALL selected areas of interest". The "Location" section includes an "Enter" button and four input fields: "Town/City:" (dropdown, "-Optional-"), "Name:" (text, "-Optional-"), "Address:" (text, "-Optional-"), and "County:" (dropdown, "-Optional-"). The footer contains the contact information for the New Hampshire Department of Environmental Services: "New Hampshire Department of Environmental Services | PO Box 95 | 29 Hazen Drive | Concord, NH 03302-0095 | 603.271.3503 | TDD Access: Relay NH 1.800.735.2964 | Hours: M-F, 8am-4pm". At the bottom, there is a footer bar with the NH.gov logo and links: [NH.gov](#) | [privacy policy](#) | [accessibility policy](#).

4

From the Pease search results page, PFAS-related documents can be found by clicking on Project No. 34346, "Hazardous Waste Project" in the center column "Interest(s) at this location"
