

Former Pease Air Force Base Environmental Cleanup Activities

STAY INFORMED

**Come to an Open House Workshop about the Air Force's strategy
to ensure completeness of data gathering for the
PFAS Remedial Investigation program**

The public is welcome to attend:

Thursday, July 20, 2023

Newington Town Hall

336 Nimble Hill Road

Newington, NH 03801

*Doors open at 5 PM. Open House starts at 6 PM, In-person only

The Air Force environmental cleanup team will present their suggested strategy to fill data gaps related to the Remedial Investigation (RI) efforts to define the nature and extent of per and poly-fluoroalkyl substances (PFAS) at Pease. Attendees will be encouraged to view large-scale drawings of sampling models and PFAS source areas.

Pease Restoration Advisory Board members can ask questions and make suggestions, and will be provided with materials prior to the Open House for their review. Attendees will also have the opportunity to meet with visiting Air Force Civil Engineer Center leaders at this Open House Workshop.
