

Restoration Advisory Board Membership Nomination

Former Pease Air Force Base

What is a Restoration Advisory Board (RAB)?

A RAB is a forum that provides the community with the opportunity to become involved in the environmental restoration process at Department of Defense installations either as a RAB member or through attendance at RAB meetings. The RAB provides opportunities for community members to share their questions, concerns, and ideas with agencies involved in the cleanup and influence decisions through discussion with decision makers.

To be considered for membership in the Pease RAB, please fill out the application below.
