**Draft Final Environmental Assessment for Disposition of the  
Defense Fuel Support Point (DFSP) Newington, New Hampshire**

**Disposition of the Defense Fuel Support Point (DFSP) Newington, New Hampshire** – An Environmental Assessment (EA) has been prepared for the DFSP Newington Facility. The EA assesses known, potential, and reasonably foreseeable environmental consequences related to disposition of DFSP Newington. The analysis considered potential effects of the Preferred Alternative and the No Action Alternative on air quality and climate; noise; geologic resources; water resources; wetlands; biological resources; land use; human health and safety; utilities and infrastructure; hazardous materials and waste; socioeconomic resources, and environmental justice; and cultural resources.

Copies of the Draft Final EA and the proposed Finding of No Significant Impact (FONSI)/Finding of no Practicable Alternative (FONPA) are available for review now at the web address: <http://www.afcec.af.mil/dfspnewington/index.asp> or the following location:

Langdon Public Library  
328 Nimble Hill Road  
Newington, NH 03801  
P: (603) 436-5154

Public comments on the Draft Final EA must be received no later than May 26, 2015.

Written comments and inquiries on the Draft Final EA should be directed to:
